

2020 Compliance Report

2020 has been a very difficult year for everyone, including the **Credit Union**, but to the credit of Dympna and the staff our doors have remained open throughout the continuing Covid-19 pandemic.

Compliance has and will remain our top priority together with the wellbeing of our members. We will continue to demonstrate compliance, satisfy regulatory obligations and keep up-to-date with continual regulatory changes, while still being there for those in our community who need a helping hand, by offering affordable, flexible loans to members and advice for those who are finding it financially difficult at this time.

I would like to sincerely thank Ann and Dympna for their continued work in the compliance role and the Board and Supervisors for their continued support.

Finally, I would like to thank you the members for the trust placed in the Board and for your loyalty over the years and would like to take this opportunity of wishing you all a very happy Christmas and a healthy and prosperous New Year.

Frances Rushe – Director Compliance Function
